Washington D.C., 20037

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for **Paradichlorobenzene** have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Confidential Statement of Formula

The acceptable Confidential Statement of Formula (CSF) on record for this product is:

1 Basic CSF - dated 05/31/11

Any previously dated CSFs are superseded.

(next page)

Existing Stocks Provisions

Submit one (1) copy of final printed labeling incorporating the above changes before you release the product for shipment. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label, please contact Gene Benbow at (703) 347-0235 or via email at benbow.gene@epa.gov.

INGREDIENT STATEMENT

Active Ingredient: Paradichlorobenzene.....99.8%
Other Ingredients:0.2%
TOTAL:100%

NET WT. 1 lb. (453.6g)

[Net Wt. 2.0 oz. (56.7g)]
[Net Wt. 3.0 oz. (85.0g)]
[Net Wt. 3.5 oz. (99.2g)]
[Net Wt. 4.0 oz. (113.4g)]
[Net Wt. 4.5 oz. (127.6g)]
[Net Wt. 6.0 oz. (170.1g)]
[Net Wt. 7.0 oz. (198.5g)]
[Net Wt. 8.0 oz. (226.8g)]
[Net Wt. 10.0 oz. (283.5g)]
[Net Wt. 12.0 oz. (340.2g)]
[Net Wt. 14.0 oz. (396.9g)]
[Net Wt. 24.0 oz. (680.4g)]

Left Panel:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Keep out of reach of children. Do not place in areas accessible to children.

Use Restrictions: To kill clothes moths (eggs, larvae, and adults) and carpet beetles in clean, air-tight containers (e.g. chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. Do not use in plastic storage containers or in contact with plastic items as paradichlorobenzene damages some plastics. For use only on cloth containing wool or wool blends in fabrics, silks, blended fabric, and furs

Pre-Application Directions: Articles to be stored should be cleaned or thoroughly brushed.

Application Directions: Apply [IMS Moth Crystals] [Smart Living Moth Crystals] in clean, air-tight containers, bags and closets at the rate of 1 lb. for each 48 cubic ft. of contained spaces.

To determine the appropriate ounces of product needed, multiply the height, width, and depth of the space (measured in feet) and divide by 3. For example, a closet 8 feet high, 4 feet wide, and 3 feet deep is 96 cubic feet, divided by 3 ft³/oz. of product, equals 32 oz. of product needed to adequately treat the area.

FOR CLOTHING, BLANKETS, DRAPERIES, FURS, ETC., sprinkle [IMS Moth Crystals] [Smart Living Moth Crystals] freely on bottom of storage space, between folds and layers of articles and an extra amount on top before closing container. Excellent for use in garment bags. Be sure storage space is tightly sealed.

RUGS AND CARPETS are effectively protected from moths and carpet beetles when [IMS Moth Crystals] [Smart Living Moth Crystals] are freely sprinkled between folds, rolled and wrapped in heavy paper. Seal tightly to contain vapors.

Paradichlorobenzene moth crystals must not be mixed or placed in contact with other moth preventative products or chemicals. Do not use in plastic storage boxes.

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags, and closets two (2) times a year.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes, or on clothing. Harmful if swallowed. Avoid contact with skin. Wear appropriate protective eyewear (such as goggles, face shield, or safety glasses), clothing and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

Physical Hazard: Combustible. Do not use or store near heat or open flame.

WARNING: This product contains a chemical known to the State of California to cause cancer.

FIRST AID	
If in Eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
If Swallowed	<ul style="list-style-type: none">• Call a poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by a poison control center or doctor.• Do not give anything by mouth to an unconscious person.
If on Skin or Clothing	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.	

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep container closed and away from other chemicals.

Pesticide Disposal and Container Handling: Non-refillable container. Do not refill or reuse empty box or cellophane. Offer for recycling if available, or place in trash.

If Empty: Place in trash or offer for recycling, if available.

If Partially Filled: Call your local toxic waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
